TERRAZO TILES

Porcelain Collection | 600x600mm

Timeless Craft, Contemporary Expression

Terrazzo tiles embody a refined balance between heritage craftsmanship and modern design sophistication. Characterised by delicately embedded aggregates set within a smooth, stone-like surface, each tile presents a unique composition that feels both artistic and architectural. Meticulously manufactured for consistency and durability, terrazzo offers exceptional performance alongside its distinctive visual depth. Its understated elegance makes it a versatile choice for high-end residential interiors, luxury retail spaces, and contemporary commercial environments where design longevity and refined aesthetics are paramount.

TERRAZO TILES

Porcelain Collection | 600x1200mm

Terrazzo tiles in 600×1200mm format offer a refined, contemporary expression of a timeless material, combining elegant aggregate detailing with the visual continuity of large-format design. The elongated slab enhances spatial flow and delivers a clean, upscale aesthetic—ideal for luxury residential and commercial interiors seeking understated sophistication.
